

510 Cable Tray Quotation

Article Overview

The 510 series cable tray is available at INR510 per meter for stainless steel HDGI models, with multiple suppliers offering quotes and configurations.

Pricing Example

Ample Engineers offers stainless steel HDGI cable trays at INR510 per meter in Gandhinagar, Gujarat, which includes perforated designs suitable for industrial applications . Prices may vary depending on material (stainless steel, hot-dip galvanized steel), tray type (ladder, perforated, wire mesh), and length.

How to Request a Quote

- o IndustryNet allows you to send an RFQ/RFI/RFP to multiple qualified suppliers at no cost. Your inquiry is reviewed for accuracy and sent to vendors within one business day, providing free price quotes, proposals, and product information .
- o Eurostrut offers cable trays for industrial and marine use, including distribution trays, NATO-type models, and perforated designs. You can request a quote directly via their webshop for customized configurations .
- o Eaton provides a quotation checklist and technical support for cable tray systems. You can contact them via email or phone to clarify specifications and obtain formal pricing .

Considerations for Quotation

- o Material: Stainless steel, hot-dip galvanized steel, or carbon steel.
- o Tray Type: Ladder, perforated, wire mesh, or solid-bottom.
- o Dimensions: Width, height, and length affect pricing.
- o Accessories: Covers, fasteners, and finishing options may add to the cost.
- o Installation: Some suppliers offer pre-assembled or modular systems to reduce labor costs. By providing your specifications (length, material, type, and accessories) to these suppliers, you can receive accurate, no-obligation quotations tailored to your project requirements.
