

Article Overview

Top professional cable tray manufacturers include Atkore International, ABB, Chalfant Manufacturing, Sunil Engineering Corporation, and Artim Metal, offering high-quality, certified cable management solutions.

Leading Global Manufacturers

- o Atkore International: A global leader in cable tray systems and infrastructure products, Atkore provides a wide range of solutions including stainless steel, galvanized, and custom cable trays suitable for construction and renovation projects worldwide .
- o ABB: ABB manufactures cable tray systems such as perforated trays, cable ladders, and channel trays from facilities in Canada and Saudi Arabia, ensuring reliable, adaptable, and long-lasting solutions for industrial and commercial installations .
- o Chalfant Manufacturing: Specializes in innovative cable tray systems, including self-connecting GR_Magic and RKS-Magic lines, as well as walkable BKRS trays, with over 70 years of experience in tailored solutions .

Regional and Specialized Manufacturers

- o Sunil Engineering Corporation: Offers a diverse range of cable trays, including perforated and ladder types, along with accessories and junction boxes, emphasizing high-quality fabrication and customized solutions .
- o Artim Metal: Based in Turkey, Artim Metal provides pre-galvanized, corrosion-resistant cable trays suitable for industrial, electrical, and healthcare environments. Their products comply with EN 61537 and ISO 9001 standards, ensuring fire safety, durability, and hygienic applications .

German Manufacturers

Germany hosts several precision-engineered cable tray manufacturers, including Icotek, Tsubaki Kabelschlepp, and Rosenberger-OSI GmbH, known for high-quality, EMC-compliant, and innovative cable management systems for industrial and data center applications .

Key Considerations

When selecting a professional cable tray manufacturer, consider:

- o Product range: Ladder, perforated, wire mesh, or custom trays.
- o Material and coating: Stainless steel, galvanized, epoxy-coated, or FRP for corrosion resistance.
- o Certifications: ISO 9001, EN 61537, and fire-resistant or antibacterial coatings for specialized environments.
- o Global reach and support: Ability to supply internationally and provide technical support for installation and maintenance. These manufacturers provide reliable, high-quality cable management solutions suitable for
