

Article Overview

Key Armenian suppliers of fiber optic junction boxes include Planet Fiber and various electrical equipment companies listed in Yerevan business directories.

Notable Suppliers

- o Planet Fiber - Offers a wide range of telecom solutions, including fiber optic cables, network equipment, and related devices suitable for junction box applications . Their product portfolio supports high-speed data transmission and network infrastructure deployment.
- o Yerevan Electrical Goods Suppliers - Several companies in Yerevan import and sell electrical and fiber optic equipment, including junction boxes. These suppliers often provide installation services, design of power and lighting systems, and distribution equipment .
- o Spyur Business Directory Listings - The Spyur directory allows searching for Armenian companies by product category, including fiber optic components and junction boxes. This platform can help identify local manufacturers and distributors across Armenia .

How to Find Additional Manufacturers

- o Trade Platforms: Use B2B marketplaces like Kompass or TradeImeX to access verified Armenian fiber suppliers and exporters . These platforms provide company names, product descriptions, and contact information.
- o Industry Reports: Market research reports on Armenia's fiber optic connectors and network infrastructure can highlight active manufacturers and suppliers .
- o Networking: Contact local telecommunications associations or attend regional trade shows to discover smaller or emerging junction box manufacturers. By combining these sources, you can compile a comprehensive list of Armenian fiber optic junction box manufacturers for procurement or partnership purposes.
