

Article Overview

Burkina Faso has several fiber optic equipment manufacturers and suppliers offering direct sales, including modules, connectors, and transceivers compliant with international standards.

Key Manufacturers and Suppliers

- o SKY PFM LIMITED SKY PFM LIMITED specializes in manufacturing and exporting fiber optic modules and communication equipment. They offer a wide range of products including SFP optical transceivers, RF optical transceivers, CWDM, and single-mode or multi-mode modules. Their products feature LC-type pluggable optical interfaces, hot-swappable units, and compliance with ROHS standards. They provide direct sales and customization options for bulk orders, making them suitable for businesses seeking reliable fiber optic modules in Burkina Faso .
- o Bridge Fiber Solutions (BFS) BFS is the national operator responsible for the public high-speed fiber optic infrastructure in Burkina Faso. While primarily an operator, BFS offers services such as fiber leasing, wavelength rental, and access to dark fiber. They also provide technical support for installation and network management, which can be useful for companies looking to integrate fiber optic connectors into larger network projects .
- o B2B Manufacturer Listings Europages provides a directory of Burkina Faso-based fiber optic fast connector manufacturers. This platform allows direct contact with wholesalers and manufacturers for bulk purchases, enabling businesses to negotiate prices and specifications directly with suppliers .
- o City Product Center / Oryarwa Some suppliers listed on international B2B platforms, such as Oryarwa, offer fiber optic connectors compliant with MPO/MTP interfaces, IEC-61754 standards, Telcordia GR-1435, and RoHS/REACH regulations. These suppliers can provide technical specifications and direct sales for professional networking projects .

Considerations for Direct Purchase

- o Compliance and Standards: Ensure connectors meet IEC, Telcordia, and RoHS standards for compatibility and safety.
- o Customization: Many manufacturers offer custom modules or connectors to meet specific network requirements.
- o Bulk Orders: Direct sales often require minimum order quantities (MOQ), which can be negotiated with suppliers.
- o Technical Support: BFS and some manufacturers provide installation guidance and network integration support.

How to Proceed

Burkina Faso Fiber Optic Connectors Direct Sales

- o Contact SKY PFM LIMITED or other verified suppliers via B2B platforms for quotes and product catalogs.
- o Reach out to BFS for infrastructure access or leasing options if integrating connectors into larger networks.
- o Use Europages or Oryarwa listings to identify additional local manufacturers and request direct sales information. By leveraging these manufacturers and platforms, businesses in Burkina Faso can source fiber optic connectors and modules directly, ensuring compliance, quality, and competitive pricing .
