

Article Overview

Wire mesh cable trays in Chad typically range from \$2 to \$25 per meter, depending on material, size, and supplier, with bulk orders potentially reducing costs.

Local Suppliers in Chad

Jeetmull Jaichandlall (P) Ltd. is a prominent manufacturer and supplier of wire mesh cable trays in Chad, offering a variety of sizes, shapes, and finishes tailored to industrial and commercial needs. They emphasize high-quality production and adherence to industry standards, making them a reliable option for local procurement .

Price Range

The average price per meter for wire mesh cable trays varies based on material and type:

- o Galvanized steel trays: \$2-\$15 per meter, balancing durability and cost .
- o Stainless steel trays: Higher-end, corrosion-resistant, typically \$10-\$25 per meter .
- o Aluminum trays: Lightweight and rust-proof, generally more expensive than steel .
- o Plastic trays: Budget-friendly, suitable for light loads, usually at the lower end of the range . Bulk orders or project-scale purchases can significantly reduce per-unit costs, especially when sourced directly from manufacturers or B2B suppliers . Wire mesh trays are generally cheaper than ladder or perforated trays, making them ideal for lightweight cabling applications .

Factors Affecting Price

- o Material and coating: HDG (hot-dip galvanized) or powder-coated trays cost more but offer better corrosion resistance .
- o Tray size and dimensions: Larger or custom-sized trays increase cost .
- o Supplier and shipping: Local suppliers may offer competitive pricing, while imported trays may include additional shipping and import fees .
- o Installation and labor: Skilled labor and installation complexity can add to total project costs .

Recommendations

- o Contact local suppliers like Jeetmull Jaichandlall for quotes tailored to your project specifications .
- o Consider bulk purchasing to reduce per-meter costs.
- o Evaluate material and finish based on environmental conditions and load requirements to optimize cost-effectiveness. By considering these factors, you can obtain a competitive price for wire mesh cable trays
