

Article Overview

Changguang Communication Technology Jiangsu Co., Ltd. is a leading manufacturer of fiber optic and power cables with global reach and advanced R&D capabilities.

Company Overview

Changguang Communication Technology Jiangsu Co., Ltd., headquartered in Jiangsu Province, China, is a national key high-tech enterprise specializing in the development, production, sales, and service of optical communication products and intelligent cabling solutions . The company has a long history and operates under a philosophy of innovation, brand building, and cooperation .

Products

Changguang manufactures a wide range of fiber optic and power cables, including:

- o Indoor and outdoor fiber optic cables
- o Submarine fiber optic cables
- o ADSS (All-Dielectric Self-Supporting) cables
- o OPGW (Optical Ground Wire) cables
- o FTTH Drop Cables
- o Specialty cables and accessories These products are widely used in network communication construction, national power, new energy, transportation, oil, social security, FTTH, and sensor technology .

Certifications and Quality

The company holds ISO9001:2008, CE, and international 3C certifications, and is in the process of obtaining UL certification . Its factories are equipped with advanced Japanese production equipment and a full set of optical communication testing instruments, ensuring high-quality production standards .

Global Presence

Changguang exports its products to Southeast Asia, Central Asia, Latin America, Africa, and other regions . The company has established strategic partnerships with leading global optical communications companies and maintains a strong international sales and support network .

Facilities and Workforce

The company operates five major production bases across China, including Jiangsu, Shanghai, Hunan,

Changguang Optical Cable Manufacturer

Shenzhen, and Hong Kong . It employs over 200 staff, including 30 R&D and technical support professionals, supported by a highly educated management and engineering team .

Services

Changguang provides OEM support, professional design services, low minimum order quantities, and fast delivery, catering to both domestic and international clients . Changguang Communication Technology is recognized for its innovation, reliability, and comprehensive service, making it a prominent choice for high-quality optical and power cable solutions worldwide .
