

Article Overview

Cable trays in Ireland are available from multiple wholesalers with options for bulk purchasing and customization, with prices varying by material, type, and size.

Suppliers and Product Options

- o Electrical Wholesaler Ireland offers a wide range of durable cable trays suitable for domestic and industrial use, emphasizing safety, organization, and fast delivery. They provide competitive pricing and support bulk orders, making them suitable for wholesale inquiries (Electrical Wholesaler Ireland) .
- o RS Components Ireland supplies various types of cable trays including ladder, wire mesh, trough, basket, and single rail trays. These are made from steel or aluminum and are designed for commercial, industrial, and residential applications. RS Components highlights easy installation, cable protection, and improved airflow, which can be important for large-scale projects (RS Components) .
- o National Electrical Wholesalers (NEW) is a leading Irish supplier with nationwide branches, offering cable trays alongside other electrical equipment. They provide expert advice and support for bulk orders and specialized requirements (NEW) .
- o Dwyers Electrical provides online purchasing with a lowest-price promise and options for in-store collection. They carry standard cable trays suitable for both small and large projects (Dwyers Electrical) .
- o Core Distribution specializes in steel trunking, trays, baskets, and ladder systems, offering both standard and custom solutions. They cater to single-compartment and multi-compartment applications, and their partnerships with international manufacturers allow for tailored solutions for specific project needs (Core Distribution) .

Pricing Considerations

- o Material: Steel trays are generally more robust and slightly higher in cost than aluminum or wire mesh trays.
- o Type: Ladder trays, basket trays, and trough trays have different price points depending on complexity and load capacity.
- o Customization: Custom lengths, multi-compartment designs, and special finishes may increase the price.
- o Volume: Wholesale orders typically reduce the per-unit cost, and suppliers often provide discounts for bulk purchases.

Recommendations

- o Contact suppliers directly for quotes based on your project specifications, including tray type, material, length, and quantity.
- o Discuss customization needs such as multi-compartment trays or specific finishes to ensure accurate pricing.
- o Compare suppliers for delivery options, lead times, and after-sales support, especially for large-scale
