

List of electrical distribution box manufacturers in Nauru

Article Overview

Top recommended manufacturers in Nauru include Nauru Power Distribution Box Company, HLC Sheet Metal Factory, and Machineequipments.

Nauru Power Distribution Box Company

This company specializes in a wide range of power and distribution transformers from 160 kVA to 415 MVA and switchgear products from 3.3 kV to 420 kV, suitable for industrial, commercial, and railway applications . They offer customized distribution and control panels, with enclosures made from stainless steel and IP66/IP67 ingress protection, supporting multiple high-voltage cable terminations. They also provide link boxes for cable earthing and testing, making them a versatile supplier for both standard and specialized electrical distribution needs .

HLC Sheet Metal Factory

HLC Sheet Metal Factory provides custom sheet metal fabrication and CNC manufacturing, including stainless steel, aluminum, galvanized, and copper enclosures . They specialize in custom electrical cabinet and enclosure boxes, offering fast sampling (1-3 days) and delivery within 7 days. Their services include laser cutting, forming, welding, and surface treatments, making them ideal for custom or non-standard electrical distribution boxes for industrial, renewable energy, and commercial applications .

Machineequipments

Machineequipments is a leading supplier and manufacturer of power distribution equipment in Nauru, offering bulk supply and export services . They are known for world-class distribution equipment and provide a one-stop solution for industrial and commercial electrical distribution needs, including bulk tenders and customized solutions .

Additional Notes

- o These manufacturers provide both standard and customized solutions, including high-voltage and low-voltage distribution boxes.
- o For specialized requirements, such as high IP-rated enclosures or custom sheet metal designs, HLC Sheet Metal Factory is particularly suitable.
- o For bulk procurement or industrial-scale projects, Nauru Power Distribution Box Company and Machineequipments are reliable options.
