

Price of Custom-Made Fireproof Cable Trays in Nigeria

Article Overview

Fireproof and industrial-grade cable trays in Nigeria range from ₦14,000 to ₦50,000 depending on size, material, and type.

Typical Prices by Size and Type

- o 100mm x 50mm Cable Tray: ₦14,000 per unit, suitable for light-duty applications in commercial or industrial buildings (Lagos Island) .
- o 300mm x 50mm Galvanized Cable Tray (2.5 meters): Price varies depending on supplier and finish; typically used for medium to heavy-duty installations .
- o Hot-Dip Galvanized Ladder Type Cable Tray (2.4 meters): Prices are based on standard lengths, with fittings sold per piece; these are commonly used for fire-resistant installations .

Materials and Fireproof Options

- o Hot-Dip Galvanized Steel: Provides corrosion resistance and is suitable for fireproof applications .
- o Stainless Steel (SS 202/304/316): Offers high durability and fire resistance, ideal for industrial and outdoor installations .
- o Powder-Coated or Painted Trays: Adds extra protection against corrosion and heat, suitable for indoor and semi-outdoor environments .

Suppliers and Wholesalers in Nigeria

- o Ned-Tech Cable Tray Ltd: Offers a wide range of cable trays including ladder, trunking, wire mesh, galvanized, and stainless steel options. They provide industrial-grade, fire-resistant trays suitable for light, medium, and heavy-duty applications. Contact: 08061295622, Alaba International Market, Lagos .
- o Jiji.ng and ElectricMall.com.ng: Online platforms where individual units and bulk cable trays can be purchased, including galvanized and locally manufactured options .
- o TheProjectEstimate.com: Provides a detailed price list for hot-dip galvanized ladder-type cable trays and fittings, useful for budgeting and procurement planning .

Considerations for Fireproof Installations

- o Ensure the cable tray material is certified for fire resistance or meets industrial fire safety standards.
- o Choose the appropriate size and load capacity based on the number and type of cables.
- o Consider accessories and fittings such as bends, tees, and supports, which may be priced separately. By contacting suppliers like Ned-Tech or checking online marketplaces, you can obtain updated quotations and
