

Article Overview

Cable House, GroupSumi, and Jeetmull Jaichandlall (P) Ltd. are leading Slovakian manufacturers specializing in high-quality cable trays and related accessories.

Cable House

Founded in 1983, Cable House is a recognized Slovakian manufacturer of cable trays, hose clamps, cable ties, crimping tools, and industrial connectors. They offer customized solutions tailored to client requirements and are known for high durability, reliable performance, and long service life. Cable House serves both national and international markets, ensuring quality control and customer satisfaction through skilled professionals and a dedicated support team .

GroupSumi

GroupSumi provides a wide range of cable trays designed for residential, commercial, and industrial electrical installations. Their products include outdoor cable trays made from weather-resistant materials and indoor cable trays for organized wiring. They also supply accessories such as supports, joints, connectors, and clips to ensure secure installation. GroupSumi emphasizes durability, ease of installation, and compliance with high-quality standards, making them suitable for demanding environments .

Jeetmull Jaichandlall (P) Ltd.

Specializing in galvanized cable trays, Jeetmull Jaichandlall (P) Ltd. is a Slovakian manufacturer offering wire mesh and netting solutions. Their products are available in various sizes, shapes, and colors, and they focus on high-quality finishing and adherence to industry standards. The company operates with modern equipment and advanced technology, ensuring that each cable tray meets the specific demands of different industries .

Summary

For anyone seeking Slovakian cable tray manufacturers, these companies provide a range of options:

- o Cable House: Customizable, durable cable trays and accessories for industrial and international markets.
- o GroupSumi: Comprehensive selection of indoor and outdoor cable trays with installation accessories.
- o Jeetmull Jaichandlall (P) Ltd.: Galvanized wire mesh cable trays with high-quality standards and customization options. These manufacturers are well-established, experienced, and capable of delivering reliable cable management solutions for diverse applications.
