

Article Overview

Taiwan hosts a range of reputable fiber optic cable manufacturers offering wholesale solutions for telecom, data center, and FTTx applications.

Leading Manufacturers

ACON - Based in Taipei, ACON specializes in fiber optic components and customized patch cords. They provide high-quality optical interconnect solutions for Data Centers and FTTH, including SC Pulling Eye Connectors and extenders for multi-mode and single-mode fiber . XFS - An OEM manufacturer in Taipei, XFS focuses on extremely low insertion loss and high return loss fiber connectivity products. Their products exceed IEC 61753-1 Grade B standards and are Telcordia GR-326 and GR-1435 tested, making them suitable for high-performance telecom and datacom applications . Wonderful Hi-Tech - Established in 1978, this Taipei-based company manufactures electronic wires and cables, including certified fiber optic cables. They emphasize innovation and quality, offering a broad range of products for various industrial applications . Lorom Industrial Co., Ltd. - A vertically integrated manufacturer of cables and cable assemblies, Lorom provides rapid delivery and high-quality fiber optic solutions. Their products are widely used in electronics, telecommunications, and IT sectors . King Lai Electronics Co., Ltd. - Offers a variety of optic fiber cables for wholesale, including single-mode and multi-mode options. They provide detailed product specifications and support bulk orders for commercial and industrial applications . Billion Electric Co., Ltd. - Supplies comprehensive fiber optic solutions for residential and commercial broadband networks, supporting both copper and fiber connections, ideal for point-to-point networks and digital home applications .

Key Considerations for Wholesale Procurement

- o Cable Type: Single-mode, multi-mode, APC connectors, MPO/MTP terminations.
- o Certifications: IEC, Telcordia, and other international standards ensure reliability and performance.
- o Customization: Many Taiwanese manufacturers offer tailored solutions for specific network requirements.
- o Applications: Suitable for FTTx, data centers, telecom networks, and residential broadband.
- o Bulk Ordering: Most manufacturers support wholesale pricing and large-scale supply agreements. For a comprehensive list of Taiwanese fiber optic cable manufacturers, platforms like Ensun, Taiwantrade, and GoPhotonics provide directories with product catalogs, company profiles, and contact options for inquiries . These resources are useful for comparing capabilities, certifications, and pricing before establishing a wholesale partnership.
