

Article Overview

Vietnam has several reputable cable tray manufacturers offering high-quality products for industrial, commercial, and infrastructure projects.

Leading Manufacturers

Dongkwang Vina is a prominent manufacturer known for durable cable trays, ladder trays, and accessories, with customization options for various industries including electrical, power generation, construction, oil & gas, manufacturing, and telecommunications. Their focus on innovation and customer satisfaction ensures reliable cable management solutions (dongkwangvina.com) . Butraco specializes in perforated trays, ladder trays, and solid bottom trays, providing cost-effective and high-standard solutions for industrial and commercial buildings, power and energy sectors, infrastructure, mining, and construction projects (butraco.vn) . Viet Power Si offers a wide range of cable trays emphasizing efficiency, quality, and compliance with international standards, serving multiple sectors with sustainable cable management solutions . Viet A is recognized for advanced machinery and skilled workforce, producing diverse, high-quality cable trays for projects across Vietnam, ensuring competitive pricing and timely delivery . Phuc Long Intech Company has over 10 years of experience supplying cable trays for major domestic projects, including factories and urban developments. They operate large-scale plants with modern machinery and technology from Japan and South Korea . HADRA Company manufactures cable trays and ladders tailored to customer requirements, offering high-quality products at reasonable factory prices, widely distributed in Hanoi and surrounding provinces (hadra.com.vn) . ENHAT Industrial Joint Stock Company produces cable trays using modern technology conforming to European standards, ensuring safety and quality, supported by a professional team of designers and technicians .

Additional Suppliers

Other suppliers include NP Viet Nam Mechanical Company Limited and BPE Switchboard Manufacture Service Trading Company Limited, which provide cable trays and related accessories, catering to trading and project-specific needs .

Summary

Vietnamese cable tray manufacturers offer a variety of products including perforated trays, ladder trays, solid bottom trays, and accessories, serving industries such as construction, power, telecommunications, oil & gas, and manufacturing. Many companies provide customized solutions, adhere to international quality standards, and maintain competitive pricing, making Vietnam a reliable source for cable management systems.
