

What are the manufacturers of fiber optic cables for smart buildings in Algeria

Article Overview

Key fiber optic cable manufacturers in Algeria include EPIC-EC, EPIC-EPMTIC, COFITEL, and CATEL, with AEDHS.com supplying international brands locally.

Domestic Manufacturers

EPIC-EC (Etablissement Public Industriel et Commercial - Cable Manufacturing Establishment)

- o Located in Reghaia, east of Algiers.
- o Produces optical fiber, fiber optic cables, and related components.
- o Operates under the National People's Army, supporting Algeria's FTTH rollout and domestic content requirements for public-sector contracts . EPIC-EPMTIC (ICT Means Production Establishment)
- o Based in El-Harrach.
- o Focuses on ICT equipment production, including fiber optic components.
- o Works alongside EPIC-EC to meet national infrastructure and smart building needs . COFITEL Algeria
- o Local manufacturer specializing in fiber optic connectivity solutions.
- o Offers turnkey fiber optic projects and high-quality cabling using advanced technologies and superior raw materials . CATEL Fibroptic
- o Produces underground, aerial, hybrid, and ADSS fiber optic cables ranging from 4 to 288 fibers.
- o Supplies major telecom companies in Algeria and provides customized solutions for industrial and smart building applications .

Local Suppliers of International Brands

AEDHS.com

- o Supplies fiber optic products from global brands such as Advanced Fiber Solutions, Anritsu, FLUKE, Fluke Networks, Hioki, Keysight, Molex, and VIAVI.
- o Offers delivery across major Algerian cities including Algiers, Oran, Constantine, Annaba, and Blida.
- o Provides comprehensive services including spare parts, repair, and maintenance for smart building fiber networks .

Summary

For smart building projects in Algeria, EPIC-EC and EPIC-EPMTIC are the primary domestic manufacturers capable of large-scale fiber optic production. COFITEL and CATEL provide specialized local solutions with turnkey project capabilities. For international-grade products and testing equipment, AEDHS.com serves as a
