

Which Swedish manufacturer makes the best quality cable trays

Article Overview

Top Swedish cable tray manufacturers include Nordic Wire Tray, Wibe Group, Ahlsell, and Oglaend System, offering high-quality, customizable solutions for industrial and commercial applications.

Nordic Wire Tray (NWT)

Nordic Wire Tray is a leading Swedish manufacturer specializing in wire trays, cable ladders, and complete cable management systems. They offer a flexible and customizable approach, allowing wire trays to be cut, bent, and adapted to specific project requirements. Their X-Tray product line is known for premium quality, long support spacing, and ease of installation, requiring minimal fasteners and tools. NWT provides solutions for demanding environments and maintains a wide stock for fast delivery and tailored installations .

Wibe Group

Wibe Group produces robust cable ladders, mesh trays, and wall trunking systems suitable for both horizontal and vertical installations. Their products are designed for industrial, commercial, and extreme environments, including data centers, offshore wind, oil and gas, and chemical plants. Wibe offers high-performance GRP (Glass Fibre Polymer) trays with excellent corrosion resistance, anti-static, and non-conductive properties, making them ideal for critical installations .

Ahlsell

Ahlsell is a Swedish supplier providing a wide range of cable trays and accessories, including sendzimir galvanized and hot-dip galvanized cable ladders. Their products are suitable for industrial, educational, and office environments, with options for different lengths, load capacities, and environmental classes. Ahlsell emphasizes strength, torsional rigidity, and ease of handling, making their cable trays practical for both small and large-scale projects .

Oglaend System

Oglaend System offers a comprehensive range of cable trays and ladder systems in materials such as stainless steel, galvanized steel, aluminum, and fibreglass composites (FRP/GRP). Their products are designed for onshore and offshore applications, providing multiple heights, widths, and slot patterns for efficient cable positioning. Oglaend also supplies a wide selection of brackets, fittings, and accessories for compact and stable installations .

Summary

Which Swedish manufacturer makes the best quality cable trays

For Swedish cable tray solutions, these manufacturers are highly recommended based on product quality, customization options, and suitability for diverse environments:

- o Nordic Wire Tray (NWT) - premium, flexible, and easy-to-install wire trays.
- o Wibe Group - robust, corrosion-resistant trays for industrial and extreme environments.
- o Ahlsell - versatile galvanized ladders and trays for commercial and industrial use.
- o Oglaend System - wide material options and specialized fittings for offshore and onshore projects. These suppliers provide both standard and custom solutions, ensuring that projects of any scale or complexity can be efficiently supported.
